“ Judy, was my 1st cousin on the Kirby side, our mother's were sisters. We were closer than sisters. I spent many nights with her and her family, and she spent many nights with me an my family. Judy was the quiet one and I was always talking her into going and doing things. When her parents owned a house at Carolina Beach, we had so much fun picking up seashells, lying on the beach and listening to music.

Later in life we shared our love for Jesus on email because she lived in Tennessee and I live in North Carolina. I was crushed when I heard of her passing. She loved her daughters and her grandchildren beyond beyond. She also adored her mother, my Aunt Ada, and her brothers and sisters more than they will ever know❤️. What a jewel!!! I miss her already.
